U.S. 20 Improvements in Marengo

CHICAGO – The Illinois Department of Transportation announced that a resurfacing project on U.S. 20 in Marengo will begin, weather permitting, Wednesday, Aug. 9.

The project consists of resurfacing U.S. 20 between County Line Road and West Street with sidewalk ramp improvements. In order to complete the work, two-way traffic will be reduced to a single lane controlled by flaggers during the daytime hours.

The estimated completion date is late October.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
